 Sunday morning services at 11. Sunday school, 9:30. Wednesday evening meeting, 8 p. m. Reading room in church edifice.  
 "God shall bring every work into judgment, with every secret thing, whether it be good, or whether it be evil." These words from Ecclesiastes are the Golden Text in the Lesson-Sermon on "Probation after Death" on Sunday in all Churches of Christ, Scientist.

Among the Bible passages in the Lesson-Sermon is this verse from James: "Blessed is the man that endureth temptation: for when he is tried, he shall receive the crown of life, which the Lord hath promised to them that love him." These words of Peter are also included: "Feed the flock of God which is among you, taking the oversight thereof, not by constraint, but willingly; not for filthy lucre, but of a ready mind. . . . And when the chief Shepherd shall appear, ye shall receive a crown of glory that fadeth not away. . . . Humble yourselves therefore unto the mighty hand of God, that he may exalt you in due time: casting all your care upon him; for he careth for you."

A passage from "Science and Health with Key to the Scriptures," by Mary Baker Eddy states: "Imperfect mortals grasp the ultimate of spiritual perfection slowly; but to begin aright and to continue the strife of demonstrating the great problem of being, is doing much."

## MANY NEW FEATURES ARE ADDED TO FACTORY FROLIC

(Continued from Page 1-A)  
 American Legion post; Victor McLaglen's motorcycle squadron of trick riders from Inglewood, the recently-organized Inglewood police scooter squadron, the Royal Neighbors' Kitchen band, Torrance Municipal band and others. Fay L. Parks is in charge of the Hobby and Handicraft show which will be held in the buildings at the corner of Gramercy and Cabrillo and he urgently requests all residents who have collections of "anything under the sun" to enter their trophies for this feature. There will be prizes awarded and attendance will be on duty at the show building all the time it is open to safeguard the entries.  
**Costumes Are Ready**  
 The Hobby show will be held at 1316 Cabrillo, next to the Beacon Drug store, while the Handicraft show will be staged at the Gramercy apartments across the street. Both shows are open to local exhibitors of the following classes: (1) school children from the first to ninth grades inclusive; (2) high school students; and (3) adults. First, second and third honors in each class in both Hobby and Handicraft departments.  
 The exhibits are to be brought to the exhibit rooms between 10:30 a. m., and 7:30 p. m., on Thursday, Oct. 27, and called for on Sunday, Oct. 30, between 9:30 a. m., and 1 p. m., Parks states.

Factory Frolic aprons and headpieces, made by Ladies of the Moose, are now on sale at the headquarters building at 35 cents a set. All Torrance women are urged to get their aprons and headbands at once in order to be ready to don them on Monday, Oct. 24. Men are to wear overalls, work shirt and work caps with ribbon emblems on the caps. These may be purchased at any men's furnishing store in the city.  
**Spaces Being Reserved**  
 Mrs. Rous of the Central Evangelical church applied to the Frolic headquarters this week for assistance in obtaining a number of girls who would be willing to sell candy on the streets during the celebration. Girls who would like to serve in this manner are asked to see Mrs. Rous or leave their names and addresses at the headquarters at once.  
 Reservation of concession space along Sartori and Marcellina avenues has been made by the Torrance Civic Center, which will dispense pie and coffee; Woman's club, 20-30 club for fingerprint registration and for first-aid station; Christian church for punch; Job's Daughters for a fish pond; Ladies of the Moose, refreshments; Torrance branch of the Red Cross; Royal Neighbors, needlework and candied apples; Boy Scout Troop No. 127, knife display; Girl Scouts, candy and ice cream; Legion Auxiliary, tea room at the Scout hall on El Prado; Fern Avenue P.T.A., popcorn and peanuts.

St. Cecilia's Guild of the Episcopal church will have a karypsy fortune telling booth; the Torrance Relief Society will feature coffee-cup fortune telling; Torrance Brass Foundry will display its products; Elementary P.T.A. is to feature novelties, and the High School P.T.A. will have a plate smashing booth. The National Business and Professional Women have also reserved concession space.  
**Form Kangaroo Court**  
 That group will also present a fashion show in the Civic Auditorium, Friday evening, Oct. 28, from 7:30 to 8:30 o'clock. Another new feature of the Frolic will be a Boy Scout "kangaroo court" which will be located in the triangular park in front of the Torrance theater during the two days of the celebration.  
 Scouts will serve as "policemen" and have a full complement of court attaches to dispense "justice" to those who may be accused of 12 "offenses." These are listed as follows: "Failure to wear Factory Frolic costumes, spitting on sidewalks, jaywalking, leaning against store windows, alcoholic poisoning, unnecessary roughness or rowdiness, flirting, destroying public

property, taking candy away from children, throwing away burning cigarettes, failure to smile and so forth."  
 President John E. Miller of the Coordinating Council, which is directing the Frolic plans, announced that the group plans to offer valuable cash prizes to the "happiest persons seen on the streets during the week-end of Oct. 28-29."  
**Details of Bike Race**  
 Registrations are wanted for the slow-motion auto-race, which is to be staged by the local C.I.O. lodge, and for the horseshoe pitching contests. Boys under 12 years of age are urged to enter their scooters for a race and they can leave their names at the Frolic headquarters or with Dale Riley.  
 The event that promises even greater competition is the bicycle

race for boys at 11 o'clock Saturday morning, Oct. 29. Boys desiring to enter this feature event are asked to fill out the entry blank which is published on Page three of this edition and bring it to the Frolic headquarters at once.  
 Only regular stock model bikes may be used in this race, which will start from the corner of Marcellina and Sartori and finish there, also it will be permissible to strip unnecessary parts from the wheels.

## TOUGH OR TENDER?

**THAT IS THE QUESTION!**

When your knife cuts into either a chunk of lamb stew or slices through a big, thick steak . . . the question ALWAYS is . . . IS IT TENDER? Tender meat is hard to get. If your meat market is not carefully chosen, chances are you'll get tough meat that has no taste and ruins the meal.

TAKE NO CHANCES! SHOP AT GRUBB'S AND BE SURE OF ALWAYS GETTING TENDER MEAT!!
